Board of Directors Election

- The following candidates (in alphabetical order) were elected to 3-year terms:
 - Anya Overmann
 - Carolyn Parker
 - John Daken
- The following candidate was elected to a 1-year term:
 - Khandra Sears

Here is a link to the Election Buddy results, showing that these four candidates were elected. Note that these results do not make clear which of the candidates receives the 1-year term. Ken Novak of the Board Development Committee worked with me in using both the STV results reported by Election Buddy and the ranked choice voting method given in the bylaws, both of which indicated that Khandra Sears would receive the 1-year term.
